

Directors Report 10/17/2024

Grant Updates: Construction grant funding amount was approved by the FLLS Board of trustees, now we wait at the state level. I have begun work on the 2024 Tioga Downs Community Foundation Grant, it is due October 25th.

Programs: As we are open on Halloween until 7pm, we plan to welcome trick or treaters. We will be giving out left over prizes and book prizes from summer reading.

General Updates: Fall decorations are up. We are currently working on weeding the fiction collection. Additionally, with the budget increase for collection, I am working on updating almost all of our collections (Poetry, Audio books on CD, large print, graphic novels, YA and J books!)
