

## August 2025 Director's Report

Grant Updates: Still have no news about the NYS Construction Grant. From the TSB Foundation we received \$2,000.00. From the Mildred Faulkner Truman Foundation, we received \$18,666.00. The next step is to apply to Fannie Hyde due 9/1 and Hooker Foundation due on a rolling basis.

Building: Temperatures in the library have been pretty good. We've been utilizing fans to get a little airflow and opening windows when we can.

Programs: Architecture Adventure Backpacks are out and being used! Summer Reading Programming is ongoing, we've had steady attendance this year!
